

Kudelski Security reinforces its presence in Germany, Austria and Switzerland

Cheseaux-sur-Lausanne, Switzerland and Phoenix (AZ), USA, June 13th, 2017 – Kudelski Security, the cybersecurity division within the Kudelski Group (SIX:KUD.S) and trusted cybersecurity innovator for the world's most security conscious organizations, today announced the expansion of its sales team for Germany, Austria and Switzerland with the appointment of IT & tech specialist Geert Houben as Senior Key Account Executive for these three countries.

Geert Houben will be responsible for further supporting the expansion of Kudelski in Germany, Austria and Switzerland from the Kudelski Security offices in Zürich, Switzerland.

Geert Houben brings many years of experience in selling technology and security-services in the Swiss German market. In his previous roles he worked for Qualys, ISPIN, Websense and most recently for Nextthink in Sales and Business Development roles.

“We are pleased to welcome Geert Houben to Kudelski Security’s growing team in Switzerland. He is a recognized business development manager with a great experience in the cybersecurity sector,” said Philippe Borloz, VP EMEA sales at Kudelski Security. “Geert has a strong track record in developing sales in the region. He will be focusing on further developing our Swiss activities and reinforcing Kudelski Security presence in Germany and Austria.”

Geert Houben resides in Grüningen near Zürich and is fluent in Dutch, German and English.
