

## **Kudelski Security Extends Capabilities to Germany and Austria From New Office in Zurich**

**CHESEAUX-SUR-LAUSANNE, Switzerland and PHOENIX, June 11, 2018** – Kudelski Security, the cybersecurity division within the Kudelski Group (SIX:KUD.S), today announced the expansion of its Swiss German team and a new Zurich office to meet increasing demand for cybersecurity services and solutions on the German, Austrian and Swiss markets. The expanded staff includes experienced professionals in security consulting, engineering, sales and marketing.

“With GDPR now in effect, and the ever-increasing sophistication of threats organizations of all sizes face, CEOs, CIOs and CISOs are demanding the proven capabilities we are delivering,” said Philippe Borloz, vice president, EMEA sales, Kudelski Security. “A growing number of companies in Germany, Austria and Switzerland are entrusting us with their evolving cybersecurity needs – from advisory and R&D, to managed security and advanced cybersecurity technology. The addition of experienced cybersecurity engineers, incident response experts, security consultants, sales and marketing staff in Zurich is a key milestone in the development of our activities on the German, Austrian and Swiss markets will help accelerate our growth.”

Since 2016, Kudelski Security has experienced solid growth in this region, adding high-profile clients and launching innovative new managed security services, including [Managed Endpoint Detection](https://www.kudelskisecurity.com/services/managed-security/breach-protection-and-response) [HYPERLINK "https://www.kudelskisecurity.com/services/managed-security/breach-protection-and-response"&](https://www.kudelskisecurity.com/services/managed-security/breach-protection-and-response) [HYPERLINK "https://www.kudelskisecurity.com/services/managed-security/breach-protection-and-response"](https://www.kudelskisecurity.com/services/managed-security/breach-protection-and-response) [Response and Managed Attacker Deception](https://www.kudelskisecurity.com/services/managed-security/breach-protection-and-response), delivered from the company’s Cyber Fusion Center in Cheseaux-sur-Lausanne, Switzerland. Kudelski Security’s expanded team in Zurich will provide German-speaking support in closer proximity to clients in the region, placing the company in a stronger position to grow its customer base at the same time.

Kudelski Security will celebrate the opening of its new offices in the heart of Zurich on Tuesday, June 12<sup>th</sup> which will be attended by Rich Fennessy, chief executive officer of the company.
